# President's Message

## Welcome to the Seventh Annual Fur Ball!

What an incredible year we've had. Phase I of the construction of the Margaret J Maclean Animal Welfare Center is almost complete and Phase II will begin soon. Thank you to all of you who have supported the Foundation and helped to make this happen. Our recent gift of \$500,000 was wonderful in so many ways, one of which was renewing our faith that this will happen. Many people have worked tirelessly for a long time—none more than **Bob James**, whose vision and passion for this project has most certainly made it come to fruition. We are all extremely grateful to Bob and everyone else who has worked so long and hard to get this animal welfare center built. Of course, our work is not done and we have more to accomplish.

We were excited this year to hire **Ellen Gauthier**. Ellen has been a great addition to the Foundation and has done an amazing job.

*We have lots of events coming up: Spay/Neuter Clinic May 14 & 15, Strut Your Mutt September 18, and the Spay-ghetti Dinner October 15.* Thank you to all who help with those events and/or attend. We appreciate all of you.

I would personally like to thank John Huber, our past president, for a job well done. He is now doing a great job as chair of the membership committee. We need members for our organization on an ongoing basis. We want to welcome some new board members: **Whitney Olson, Owen Robinson and Coleen Balzarini**.

*A huge thank you to the Fur Ball Committee* for another wonderful event. We appreciate all the volunteers that put this fun evening together. You are an amazing group.

*We appreciate your support. Have a wonderful evening.*

*For the Animals,*

*Pam*

Pam Guschausky

*Pam is one of hundreds of dedicated Spay of the Falls spay/neuter clinic volunteers. Call 403-3219 to help at our next clinic, May 14-15, 2011!*
