

Put your name on the new Margaret J Maclean Animal Welfare Center!

Naming opportunities range from \$1,200 for a landscaping tree to \$25,000 for a large area. You can help open the doors of the shelter by choosing to make a contribution or pledge and name an area of your choice. Please refer to the Naming Opportunities booklet to identify spaces still available. (Room numbers on this floor plan correspond with those in the booklet.)

All donations of \$1,000 or more will be recognized in a permanent, prominent place of honor in the center. In-kind gifts will be categorized at a donation level based on the value of your gift.
